	Quality Policy Statement	

The Sirius Group (the 'Organisation') aims to provide defect free products and services to its customers on time and within budget.

The Organisation operates a Quality Management System that has gained ISO 9001: 2015 certification, including aspects specific to the assessment and remediation of chemically contaminated and geotechnically unsuitable land, enabling demolitions and the provision of site infrastructure. Planning submissions, planning permissions and the assessment of alternative energy.

The management is committed to:

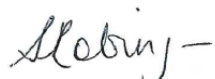

1. Develop and improve the Quality Management System
2. Continually improve the effectiveness of the Quality Management System
3. The enhancement of customer satisfaction.

The management has a continuing commitment to:

1. Ensure that customer needs and expectations are determined and fulfilled with the aim of achieving customer satisfaction
2. Communicate throughout the Organisation the importance of meeting customer needs and all relevant statutory and regulatory requirements
3. Establish the Quality Policy and to set Quality Objectives at relevant functions, levels and processes
4. Ensure that the Management Reviews set and review the Quality Objectives, and report on the internal audit results as a means of monitoring and measuring the processes and the effectiveness of the Quality Management System
5. Ensure the availability of resources.

All personnel understand the requirements of this Quality Policy and abide with the contents of the Quality Manual. The Organisation complies with all relevant statutory and regulatory requirements. The Organisation constantly monitors its quality performance and implements improvements when appropriate.

This Policy is communicated to all employees and is made available to interested parties. The policy will be reviewed annually and updated as required to conform to current legislation and to ensure continuing suitability. Copies of the minutes of Management Reviews, or extracts thereof, are provided to individual members of staff in accordance with their role and responsibilities as a means of communicating the effectiveness of the Quality Management System.
